

## 90% of GAMEFI PROJECTS ARE RUINING THE INDUSTRY'S REPUTATION

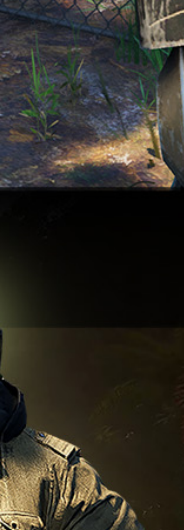

## From award winning AUTHORS

"My partner Laurent Cluzel, and I have created as founders +10 games and produced a lot more for Ubisoft, EA, Mindscape, Fox, Cryo, Wizama, Psygnosis etc... we got game of the year award with Alien.

Creating games is our passion.

This project is in development for 2 years. First with our own funds, next we have been joined by Daomaker, SL2, and NEO Chain who believe in our vision and trust us to deliver an exceptional product with our expertise.

We are here to build a solid franchise and improve it for the years to come".

## A REAL BUSINESS OPPORTUNITY

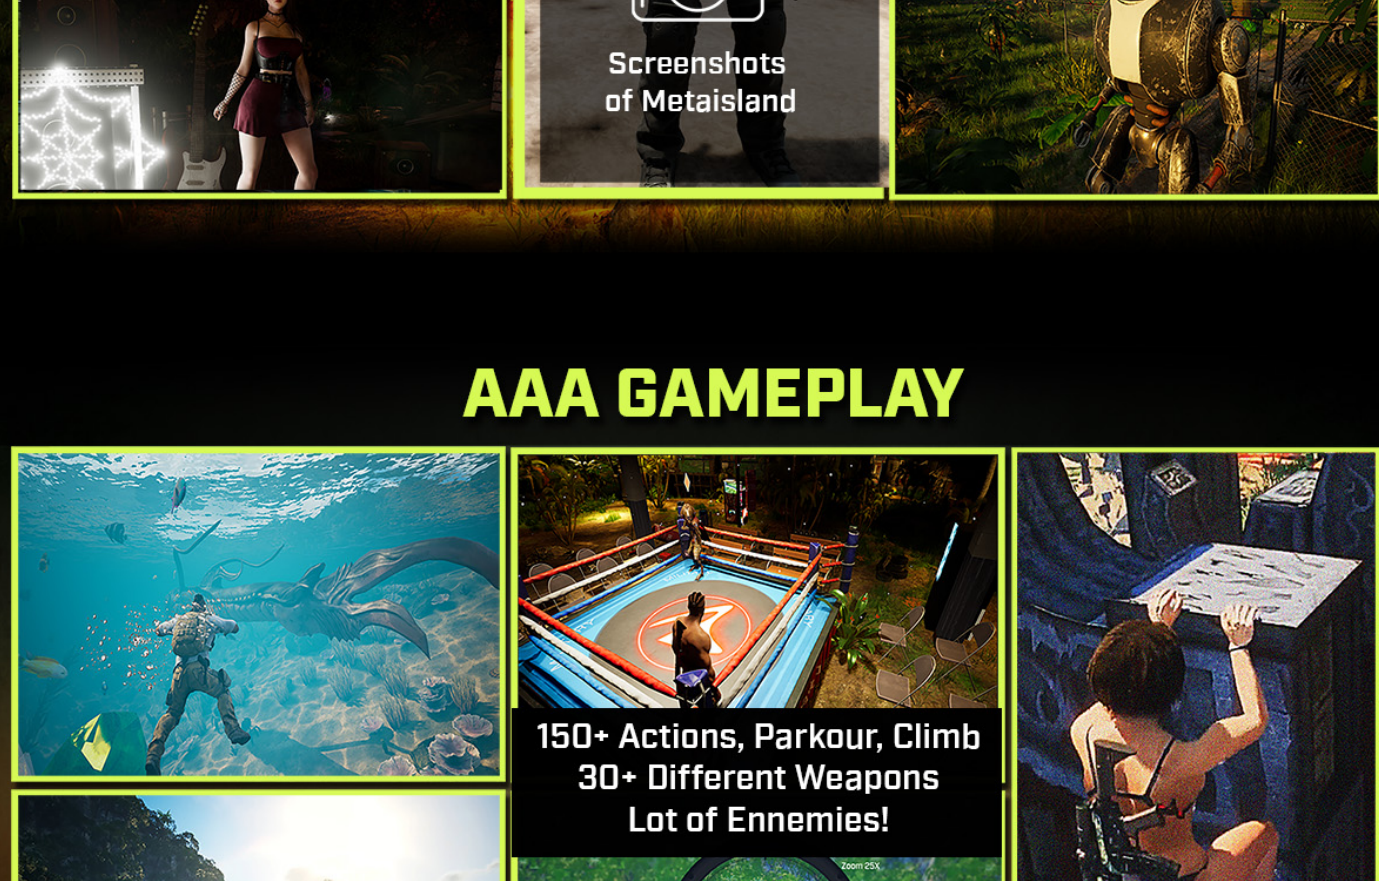

Every Island is a Franchise that can generates up to 50k / month from home to anyone who can find players to join his island. It is Onlyfans for gamers!

## WITH A REAL CRYPTO ECONOMY!

Metaisland is cross-chain AND multichain

## PC / CONSOLE first, then anything.

## AAA GAMEPLAY

## A SECOND WORLD

Just like the real world, but better

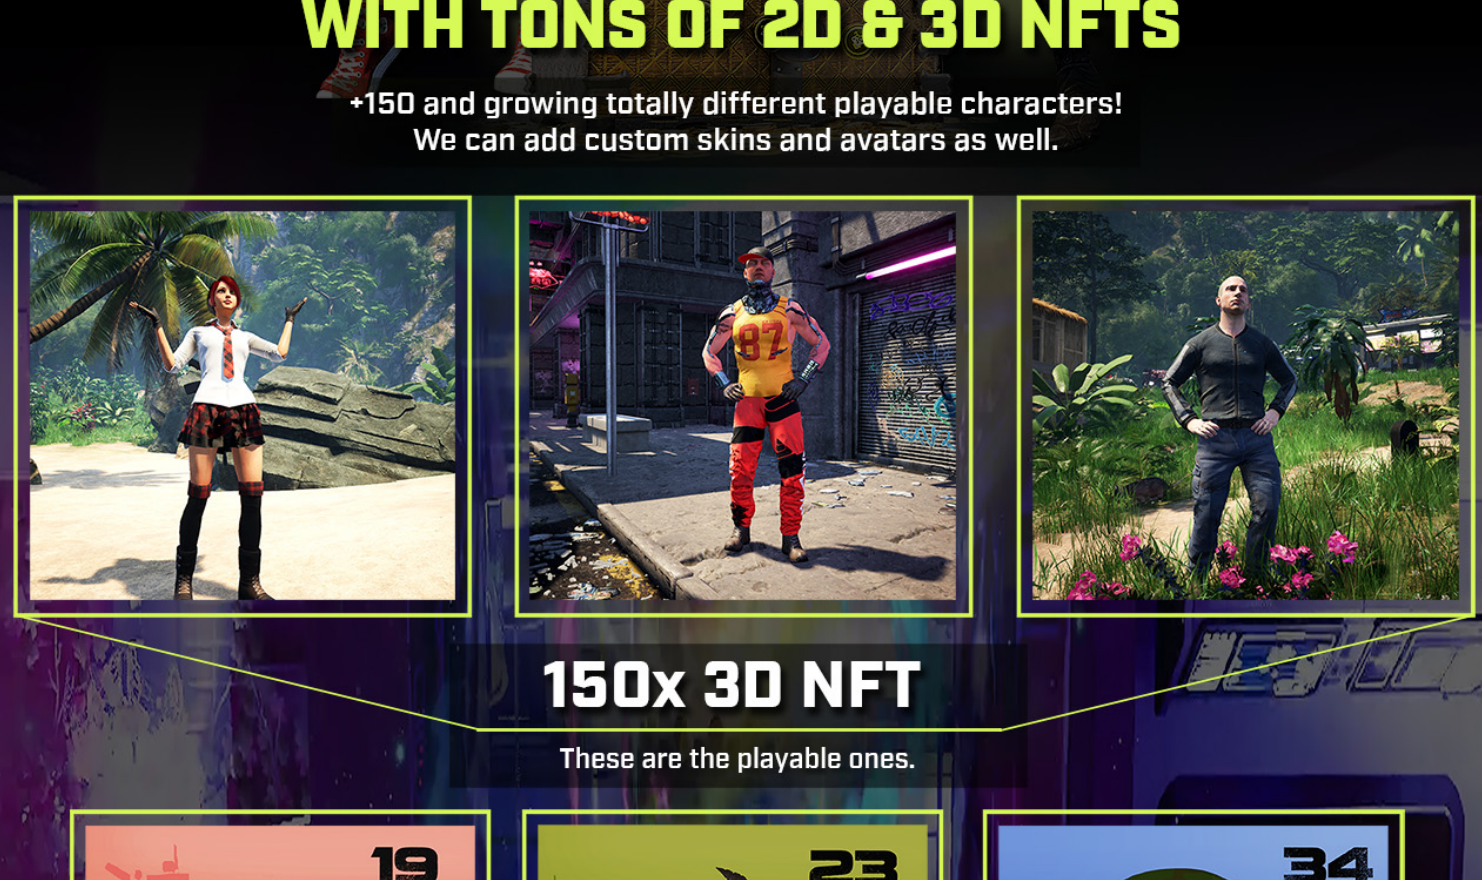

## BASED ON AN ORIGINAL STORY

Metaisland is built on solid foundations. With 7 books, each per faction. Hours of original composed orchestral music, we can reach a global scale through movies comic books, etc...

## WITH TONS OF 2D & 3D NFTS

+150 and growing totally different playable characters! We can add custom skins and avatars as well.

## 150x 3D NFT

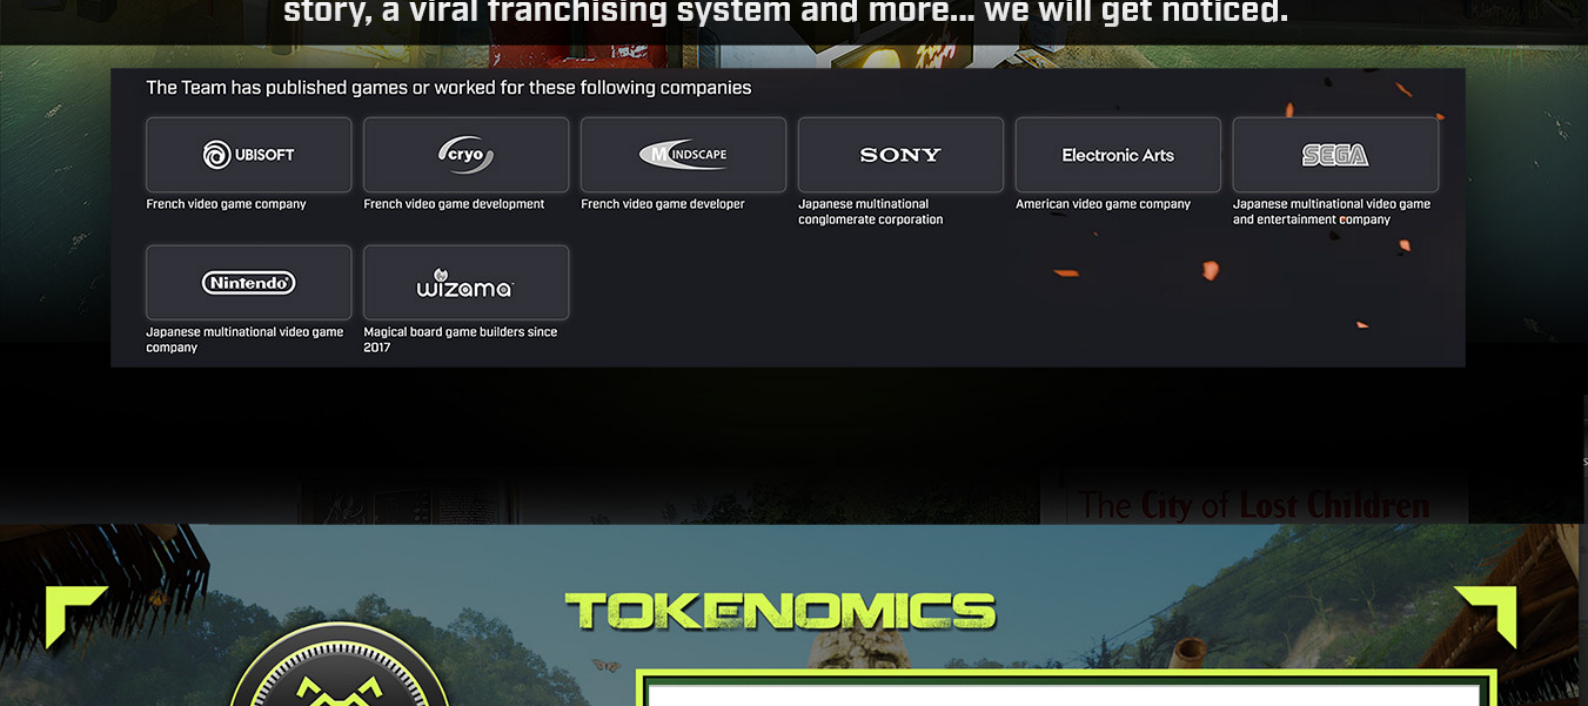

These are the playable ones.

## 70,000x 2D NFT

These are unlocking features trading cards.

## SHOPPING, SOCIAL, TV, ID all in ONE

This application has a sophistication unmatched by both the gaming and the crypto competitors. It encompass television, world simulation, crypto shopping, social interactions, a true unique story, a viral franchising system and more... we will get noticed.
